Camp in the Cloud

IF THERE IS "COVID" ON EARTH,
We ...Camp somewhere in the cloud!

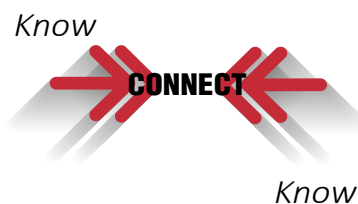

If there's COVID on earth, we camp somewhere in the Cloud..... This was an experience like never before where both young and old people from 8 different African countries connected with God and others in fun and exciting ways through a virtual camp hosted on the Zoom platform!

Under the theme "Camp in the Cloud", with a specific focus on Thriving in Trials, Thriving in Temptation & Thriving in Good Works (James 1), our goal was to encourage the campers to recognize the way in which they ought to live in uncertain times such as these.

Through exciting Bible Hour sessions, group discussions and a panel session, we had

distinguished speakers like John Page, Greg Steir, Kris Stout, David Kirabira, Ray Pritchard, Peter Odanga to mention but a few who challenged and inspired campers to utilize this time to seek the Lord and even learn new skills that will build and equip them for the time ahead.

Both the Teens, College & Career camp took place from 15th – 17th May and 22nd -24th May respectively. **367** campers attended and **18** trusted Christ. Pray that these people will be committed to follow and live for Christ no matter what temptations may come their way.

EXTENDING GRATITUDE & JOY

Through the various ministry opportunities this month, we are grateful to God for friends and partners who have come along side us and given generously towards different ministry needs.

Some have given towards the well being and sustainance of several pastors that have been in need through donating food stuffs and other home supplies.

The Word of Life community is grateful for this amazing gesture and act of kindness. We have delivered these food stuffs & items to about **80** pastors whom we work along side.

TESTIMONY

“Word of Life has given me a huge lesson. When my wife gave birth by C-section two weeks ago, I spent everything I had to clear hospital bills. Due to lack of support, I didn’t allow my wife and the baby to return home.

How would I have taken care of her and the baby? I painfully told her that she goes to her parents with the baby until the situation gets back to normal. While I was still praying and wondering on how to survive, I received a phone call that you were coming to visit.

You surprised me when I saw the package you brought for me. I don’t have words to express my feelings, but God knows it all. Thank you so much. Please let everyone at Word of Life know that they have done more than help to me, I have shared some items and the money with my wife to help her with the baby. My heart is stable. God bless you.”
